PARTNERSHIP WEALTH MANAGEMENT LAUNCHES *FREE* MONTHLY EDUCATION TELECONFERENCE SERIES

***(Baltimore, MD, January 5, 2010)* –** Partnership Wealth Management, LLC announces the launch of its *free* Monthly Education Teleconference Series. This program was developed by Partnership Wealth Management as an immediate response to the urgent needs of its clients. In October 2009, a survey was sent out to clients and prospects inquiring as to "what issues were keeping them up a night."

"The response was immediate and overwhelming," states Woody Derricks, President of Partnership Wealth Management. "We have always been a company that puts the needs of our clients first, no matter what. We noticed lots of similar concerns … concerns about the economy, concerns about retiring, concerns about the future. We decided to develop an on-going program to address these issues."

Partnership Wealth Management will host the first teleconference titled, "The Roth IRA Opportunity in 2010" from noon to 1 p.m. (EST) on Tuesday, January 12, 2010. There will be a 15-minute Q&A following the 45-minute presentation.

Woody Derricks is a representative of LPL Financial and is registered to discuss and transact securities business in the following states: AK, CA, CT, DC, DE, FL, MD, NJ, NV, NY, PA, RI, TX, VA, VT.
